DELIVERY

CROM SERVICES

DELIVERY AND HANDOVER

Online ordering page

CLIENT	REFERENCE	DATE	VERSION
Sam (Saltbush Café, sample)	Sample job SB-104	22 Oct 2026	1.0

01 Summary

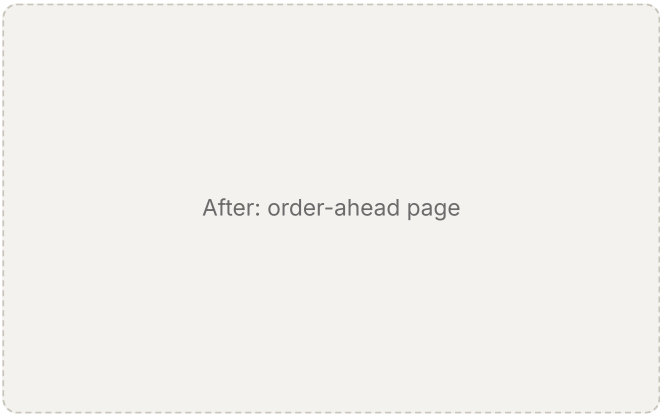

> The ordering page is live. Regulars can order ahead and pick a time, and orders land in the café inbox.

02 What was delivered

- Mobile-first ordering page
- Menu with 28 items and prices
- Order emails to the café inbox
- Handover guide

Before · Morning ordering, before and after

After · Morning ordering, before and after

03 How to use it

- Open the guide to change a price or hide a sold-out item
- Check the order inbox from 6:30 am
- Test an order on your phone after any menu change

DELIVERY

04 Links and files

ITEM	WHERE
Ordering page	Live on the café site (sample)
Handover guide (PDF)	Files on this job page

05 Known limits

- No online payment: customers pay at pickup
- Orders need someone to check the inbox
- Menu photos are not included

06 Free fix

> Free fix through **29 Oct 2026**. If anything we delivered does not work as agreed, tell us by then and we fix it at no cost. We won't leave you without a working product we built.

07 Next-step options

Entirely your choice. There is no obligation to continue.

- **Monthly care plan:** we keep an eye on the page and handle small menu changes each month
- **Payments add-on:** card payments at checkout for a separate fixed price
- **Nothing more:** you keep the page and guide; no follow-up needed

08 Sign-off

Please confirm on Direct (sample) (or sign below) that the work has been received.
