SCOPE OF WORK

Online ordering page

CLIENT	REFERENCE	DATE	VERSION
Sam (Saltbush Café, sample)	Sample job SB-104	14 Oct 2026	1.0

01 Client and project

CLIENT	PROJECT	PLATFORM	START
Sam (Saltbush Café, sample)	Online ordering page	Direct (sample)	15 Oct 2026

A fixed-price build of a simple order-ahead page for a small fictional café. All names and figures are made up for this sample.

02 Goal

> Let regulars order coffee and breakfast ahead from their phone, so the morning queue moves faster.

03 In scope

- One mobile-first ordering page with the café menu
- Order-ahead form with pickup time
- Order emails to the café inbox
- A short handover guide

04 Out of scope

- Online payments
- Delivery or driver tracking
- New logo, photography or copywriting
- Changes to the café's other pages

05 Deliverables

- **Ordering page**, live on the café's site
- **Menu set-up** from the café's current menu
- **Handover guide** for updating prices and items

06 Milestones and dates

MILESTONE	WHAT YOU GET	DUE
Draft page	Clickable draft to review	17 Oct 2026
Live page	Ordering page live and tested	21 Oct 2026
Handover	Guide and walk-through	22 Oct 2026

07 Price and payment split

PAYMENT	AMOUNT	WHEN
Kickoff	A$150	At the start
Handover	A$250	After you accept the live page
Total (fixed price)	**A$400**	

Fixed price, no extras unless agreed in writing first.

08 What we need from you

- Current menu and prices
- Opening hours and pickup times
- The email address that should receive orders
- Replies within 2 business days, so dates hold

09 Assumptions

- The café's site is live and we can add a page to it
- The menu stays under 40 items
- Dates move by the same amount if inputs arrive late

10 Change requests

Anything outside this scope is quoted separately, in writing, before any work starts. Nothing extra is charged without your OK.

Payments, a loyalty card or extra pages can be quoted as a separate fixed price.

11 7-day free-fix guarantee

> If something we delivered does not work as agreed, tell us within 7 days of handover and we fix it free. We won't leave you without a working product we built.

12 Sign-off

By approving this scope on Direct (sample) (or signing below) you agree to the work, price and dates above.
